

An Update Regarding the Shawnee Indian Mission

Last week, the House Federal and State Affairs Committee held a hearing on HB 2208, a bill that would authorize the conveyance of the Shawnee Indian Mission State Historic Site and National Historic Landmark to one of three present day Shawnee Tribes. The Committee received 41 written testimonies which can be viewed [here](#). Ten individuals provided oral testimony. If you would like to watch the Hearing, it is available on the [Kansas Legislature's YouTube page](#).

The Committee Chairman will determine if or when the bill will be worked by the committee and if a vote on the bill will occur.
